

KRM

BOTEX

BUILT IN BRITAIN
...for professionals!

High capacity self-loading cranes

Save time AND money!

- * NO telehandler
- * NO low loader
- * NO waiting around
- * NO extra machinery or labour costs

**One man,
uninterrupted,
operation!**

**Clean and tidy – just
finish last fill and go!**

**Ground conditions less
restrictive – no tracking
during loading when
ground wet!**

**Compact –
parks tidily
for spreading
and transport**

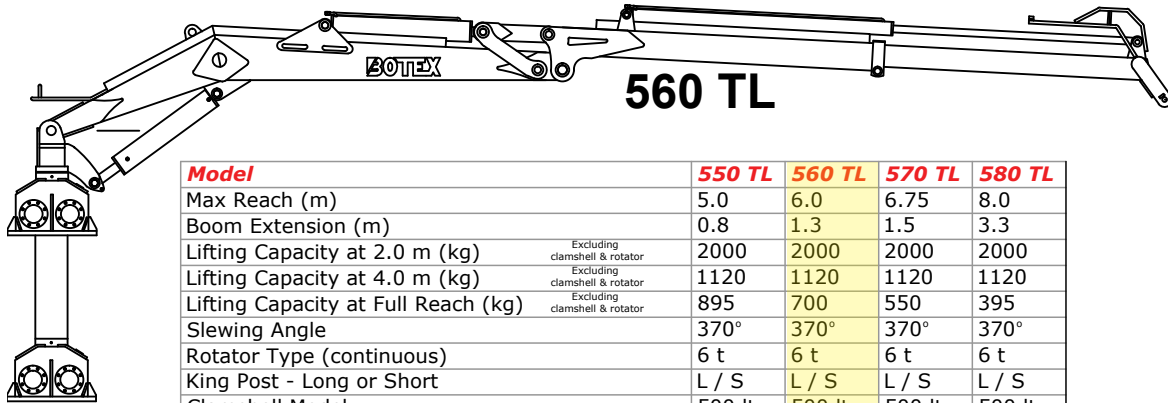

**See reverse
for technical
specifications**
